

NY-BEST Annual Energy Storage Technology Conference

October 11, 2017
Hyatt Regency Rochester

SPONSORSHIP PACKET:

A one-day conference focused on technological advances, research development, and commercialization efforts.

The Conference's setting allows for our vendors to have face time with more than 200 engaged attendees multiple times throughout the day.

Sponsors will have the chance to highlight their brand to corporate experts, researchers, entrepreneurs, accredited academics, government officials, and interested investors.
